To whom it may concern,

I have had Keys and Irini of Triple Kay Property management fully manage my investment properties for around 2 years now and I can't speak highly enough of the work and effort they have shown, not only in finding excellent tenants, but also ensuring the houses are kept to a high standard by carrying out regular inspections.

Even in these tough times for the Canterbury rental market they had managed to sign up a great tenant within a week of me handing over a property to them. I work outside of Canterbury so to know that my rentals are being looked after by great tenants gives me peace of mind.

Any problems/maintenance issues are corrected immediately thanks to Keys and Irini's tradesmen contacts which include a builder, electrician and plumber.

Keys has had a large amount of experience in dealing with the Tenancy Tribunal and knows the law when/if any problems do arise.

Because of the great results I have had from using Triple Kay Property Management I plan on purchasing at least 2 more rentals in 2010, and would have no hesitation in recommending them to anyone with a Rental investment.

Please feel free to contact me at my below e-mail address if you have any further questions.
